

Monthly Newsletter

ISSUE 13 - APRIL 2021

Hi Everyone,

Another Month has flown by, and we have certainly had an eventful one. With adder bites, fractured legs, ferrets and dislocating kneecaps - we've had it all!

As we move into late Spring, we are really hoping that everyone is starting to get back on track with their normal lives. Half of our staff have had their Covid vaccines now (that shows our ages!), and hopefully the rest are soon to follow. What a fabulous NHS we have. Seeing everyone pulling together and getting the vaccines done was fabulous to see. Let's hope we continue to see the benefits.

We are certainly seeing more patients, and we are glad to be able to offer routine appointments, whilst keeping social distancing in mind. Our reception remains open, and clients can also now come into the consult room with their pets, if they want to. We do ask that only one person attends with their animal, though, and that you please always wear a mask while in the clinic.

As we all start looking at our health coming into the summer, we would like to encourage those of you with pets that have not had a recent check up to bring them along. We have a promotion for the month of May to get your pets restarted with their vaccinations, and this includes a health check. That old saying - 'prevention is better than cure' - is so relevant in all of our pets, and as vets, we will often pick up issues that you were perhaps unaware of or didn't realise we could do something about. If in doubt, give us a call and we will be happy to discuss any concerns you may have.

In addition to ensuring that your pet's vaccinations are up to date, it is also important to ensure that you have microchipped your pet. Coquet Vets can microchip dogs, as well as cats and rabbits (from 8 weeks old). Microchipping usually costs £10, but for the month of May, we are offering microchipping for just £5 per dog, cat, or rabbit. You can find out more on our website on the promotions page, or just give us a call to book an appointment before the end of May.

We hope that you have all been enjoying the recent articles that we've been sharing – including our latest case study, which I think will be of interest to many of you.

Stay safe, and we look forward to seeing you soon,

The Coquet Vets Team

TIME FOR VACCINATIONS & MICROCHIPPING

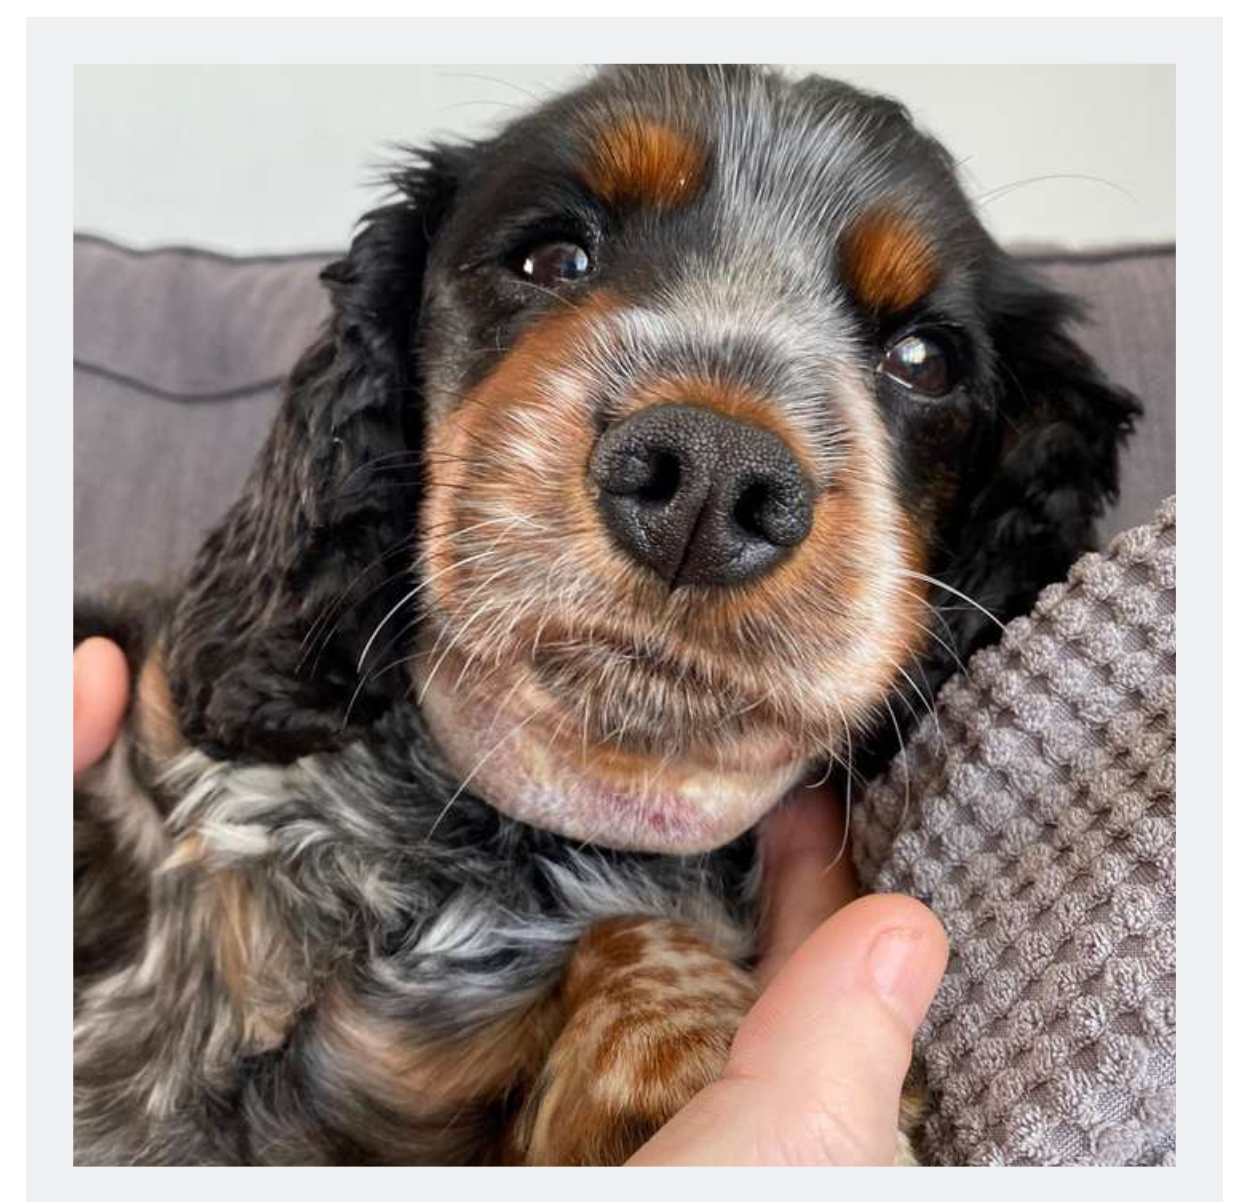

One thing that Covid-19 has done is raise awareness about vaccination. Vaccination has always been a large part of the service that veterinarians offer to their dog, cat, and rabbit patients; and thanks to vaccinations, we have seen a reduction in many of the diseases that we vaccinate against. We can also do microchipping for dogs, which is not only good to do for so many reasons, but it's also the law.

CASE STUDY: ADDER BITE

This month, we treated a young female Cavalier King Charles cross for an adder bite. This was certainly a first for us, but luckily the owners were quick to act, and we were able to arrange for treatment and appropriate supportive care. Would you know what to do if your dog was bitten by an adder on a walk?

DENTAL CARE WITH VETS CHOICE

Here at Coquet Vets, we provide free of charge dental check-ups, as well as give advice about at home care to maximise your pet's dental health. We now offer Vets Choice products at our practice, which includes some really useful dental products to use between check-ups. Here's our recommendations and some tips to keep your pet's teeth and gums clean and healthy.

JOIN COQUET PET CLUB

Coquet Vets is a big advocate for preventative health care to keep your pet healthy and happy. We can provide your pet with a preventative health care plan, designed to give you peace of mind and fantastic savings for a low monthly direct debit payment. Click on the link below to find out more and see what is needed to join Coquet Pet Club.

The plan includes a range of services and savings, and you can also sign up for the plan online through our website, so there is no need to come into the practice.

LATEST UPDATES - APRIL 2021

MAY PROMOTION 1: DOG OR CAT VACCINATIONS FOR £35

For the month of May, you can get any dog or cat vaccinations for £35 (normally £50) - this includes the first and second injections that are required for a restart for the core vaccinations (Distemper, Parvo, Hepatitis and Leptospirosis in dogs and Flu and Enteritis in cats).*

>> [View promotion](#)

* Both of these offers start from 1st May 2021 (until 31st May 2021), but you can book your appointment now to make sure you don't miss out. Call us today on 01665 252 250 to find out more.

MAY PROMOTION 2: MICROCHIPPING FOR £5

For the month of May, we are also offering microchipping for just £5 per dog, cat, or rabbit (from 8 weeks old). Microchipping usually costs £10.*

PROMOTION: "BUY 1 GET 1 FREE" ON VETERINARY HPM 'VET EXCLUSIVE' PUPPY AND KITTEN FOOD

If your pet is part of the Coquet Pet Club and it is already microchipped, you can use your £10 voucher towards buying Veterinary HPM 'Vet Exclusive' Puppy and Kitten Food.

This food can ONLY be bought from a veterinary practice; it is affordable, palatable and a great diet. There are different life stages for these diets, so your pet can stay on them for the rest of its life.

There is also a loyalty scheme where every 6th bag is free (smallest size bag is free).
