## ISSUE 24 - APRIL 2022

Hi Everyone,

We have had one of the busiest months to date and cannot believe where this month has gone. To celebrate National Pet Month, we had our First Aid Evening held by our Vet, Emily. It was a big success and we are already taking names for our next event later in the year. If you would like to attend, please call us to add your name to the list.

We raised £350 from the First Aid Evening and our hamper raffle. The proceeds will be split between our local dog charity SHAK (safe homes and kindness) and Macmillan Cancer Support. Our Vet, Emily is also doing the Macmillan Northumberland Coastal Walk in June to raise more funds. We also ran two Facebook competitions over April. We have already announced the winners, so check out our Facebook page to see who won!

For the month of May, we will be focusing on pet arthritis. To help you to identify how to spot arthritis in your pets and what you can do at home to help them, we are holding an Arthritis Evening on Tuesday 24th May. It will be held by our Vet, Rebecca. This event is already fully booked, but we can always hold another one later in the year, so let us know if you are interested to attend.

We have recently introduced our new prescription email [prescriptions@coquetvets.co.uk](mailto:prescriptions@coquetvets.co.uk) this is for any repeat medications, flea/tick or worming, and ordering food. It is really simple; just email us with your pet's name, surname, what medication or food you would like, and how many months' worth you need. The medication or food will be ready to collect in 48 hours unless we contact you, as your pet may be due a prescription check-up.

We hope you enjoy this month's articles and case studies, and we look forward to seeing you at your next visit.

## DO DOGS AND CATS GET DEMENTIA?

Cognitive Dysfunction Syndrome, or CDS, is more common in dogs and cats than people realise. It is estimated that up to 14% of our senior pets suffer from CDS. This month looked at the key symptoms to look out for and some management tools and medications that we can use to help.

## TEAM NEWS: DANNI'S FUNDRAISER FOR A TRAINING & RESEARCH TRIP TO AFRICA

Coquet Vet's Student Veterinary Nurse, Danni, has the exciting opportunity to travel to Africa next year for an academic trip for training and research.

Although the trip is scheduled for June 2023, Danni is now actively fundraising to raise much needed funds to enable her to take part in this academic trip.

If you would like to donate to help fund this unique Veterinary experience, any contribution would be greatly appreciated.

# UPDATES & EVENTS - APRIL 2022

## EVENT UPDATE: THANKS TO ALL WHO ATTENDED OUR CANINE FIRST AID EVENING

On 21st April 2022, we hosted our first ever Canine First Aid Evening, and it was a great success! We had around 30 clients at the event, and we also gave away a hamper to raise money for the charity, MacMillan Cancer Support, as well as local dog charity, SHAK (Safe Homes And Kindness).

Our vet, Emily, gave a practical presentation demonstrating how and what to do in common first aid scenarios that you may encounter with your dog. Topics she covered included, wounds, allergies/anaphylaxis, seizures, heat stroke, and collapse

It was such a great success; we will be holding another one later in the year. If you are interested to attend, call us on 01665 252 250 and let us know so we can put your name down for a place. More details and dates to follow soon.
