

Monthly Newsletter

ISSUE: FEBRUARY 2024

Hi Everyone,

Spring is in the air, and it seems like the rain has finally stopped. As people settle into the new year, we have seen more clients joining us, many of which are bringing new puppies and kittens, which keeps us smiling.

You may have noticed as part of our new year spring clean that we have had the practice painted, added some new water dispensers, and wait for it... professional photos of the staff and their pets for our new noticeboard. We can't wait to see the final display!

Due to popular demand, we are hosting another Client First Aid evening at the end of March, so if you're interested, give us a call. More details on this are included in this month's newsletter.

Don't forget to take advantage of our new promotion for neutering month. From 1st March, you can get up to 15% off the full neutering price at Coquet Vets. This promotion is for dogs and cats, both male and female, and terms and conditions apply. See our website to find out more and to book your appointment.

We hope you enjoy our latest newsletter issue, which includes all the latest updates from the Coquet Vets team, as well as some informative articles and case studies.

We look forward to seeing you at your next visit to the practice.

The Coquet Vets Team

CLIENT STORY: THE RETURN OF REG THE CAT

This is a story about Reg the cat who was missing for so long, his owners thought he had sadly died. However, 4 months later, he turned up! Read this amazing story about his return home.
