ISSUE 26 - JUNE 2022

Hi Everyone,

We are halfway through the year, and as ever, this month has been jam packed. We have had an emergency caesarean, stick foreign body, fly strike in a rabbit, an injured bat, and a road traffic accident. We are glad to say that all these cases have had a successful outcome, and all animals are back to their normal selves (well we think the bat is, as it flew away!).

For more information on some of these cases, please see previous articles on [flystrike](#), [caesarean](#), and [foreign body](#).

Please remember to keep your dog's safe during the hot weather this summer. You can get some useful tips in one of our previous articles on how to keep your pet safe and what to do if you suspect that your pet has [heatstroke](#).

Some of you may have seen some work being done on the grass next to our car park. We are excited to announce that this is the start of the build for a grooming pod, run by a local groomer. We are unsure of the opening dates, but we will keep you posted with the progress.

On another exciting note, our Vet, Emily and Nurse, Rosie have historically run the dog show as part of the Warkworth Show. After a break of two years, they are returning to present the fun Dog Show at the 150th exhibition Warkworth Show, which is held in the grounds of Warkworth Castle. The event is taking place on Saturday 20th August 2022. We would love to see you all there and entering the dog classes.

We hope you enjoyed our articles this month, and we look forward to seeing you on your next visit.
