

Monthly Newsletter

ISSUE: MAY 2023

Hi Everyone,

We have all been enjoying the beautiful weather that May brings and feel lucky to work in such a beautiful part of the country, as well as in a spacious and light filled clinic!

This month we have celebrated our Veterinary Nurses who are an integral part of the veterinary team. We feel very lucky to have the team that we do, having recently been joined by a new Registered Veterinary Nurse, Laura, and our first Animal Care Assistant, Helen. As we continue to grow as a practice, we also continue to grow as a team, and we value your continued support.

Our nurses play a huge role in looking after our patients and helping to run our veterinary clinic. They also have a vital role in client education, as well as helping to organise our vets (a huge job in itself) and having input into the planned care of your pets. Nurses' clinics include vaccinations, nail clips, weight clinics, light therapy and may more.

With the weather changing, we want everyone to be mindful of the hot weather and the potential risks that this can pose to our pets, especially dogs. It is sensible to walk dogs early in the morning or late in the afternoon if the weather is warm. Vests and coats are certainly not warranted at this time of year, and it's worth thinking about how hot the ground might be for your dog's paws. We also see an increased prevalence of ticks at this time of year, so please make sure that your dogs and cats are up to date with their parasite prevention.

Finally, for the month of June, as part of Rabbit Awareness Week, you can get 10% off the full neutering price for rabbits at Coquet Vets, with an extra 5% off if you're in our Coquet Pet Club (15% off in total). Find out more in this month's newsletter.

We hope you enjoy reading our latest articles and news from the team, and we look forward to seeing you at your next visit.

The Coquet Vets Team

LATEST NEWS & UPDATES

WHAT CAN VETERINARY NURSES DO?

The month of May was Vet Nurse Awareness Month. This month was dedicated to highlighting the important role that nurses play in practice. Our Registered Veterinary Nurses (RVNs) perform a wide range of roles and clinical tasks.

FIND OUT MORE ABOUT: NURSE CLINICS

The dedicated nursing team is a huge part of our Coquet Vets team and are essential to all aspects of the services that we offer. Our nurses provide support and care for our pets and clients, and are expertly trained in many areas that can benefit both clients and patients.

Our Registered Veterinary Nurses offer their own variety of clinics to include:

Free clinics:

- Nutritional Advice
- Weight Clinics *
- Post Operative Checks
- Suture Removal
- Administering Medications *
- New Puppy, Kitten or Rabbit Advice
- Desensitisation clinics

Other chargeable services:

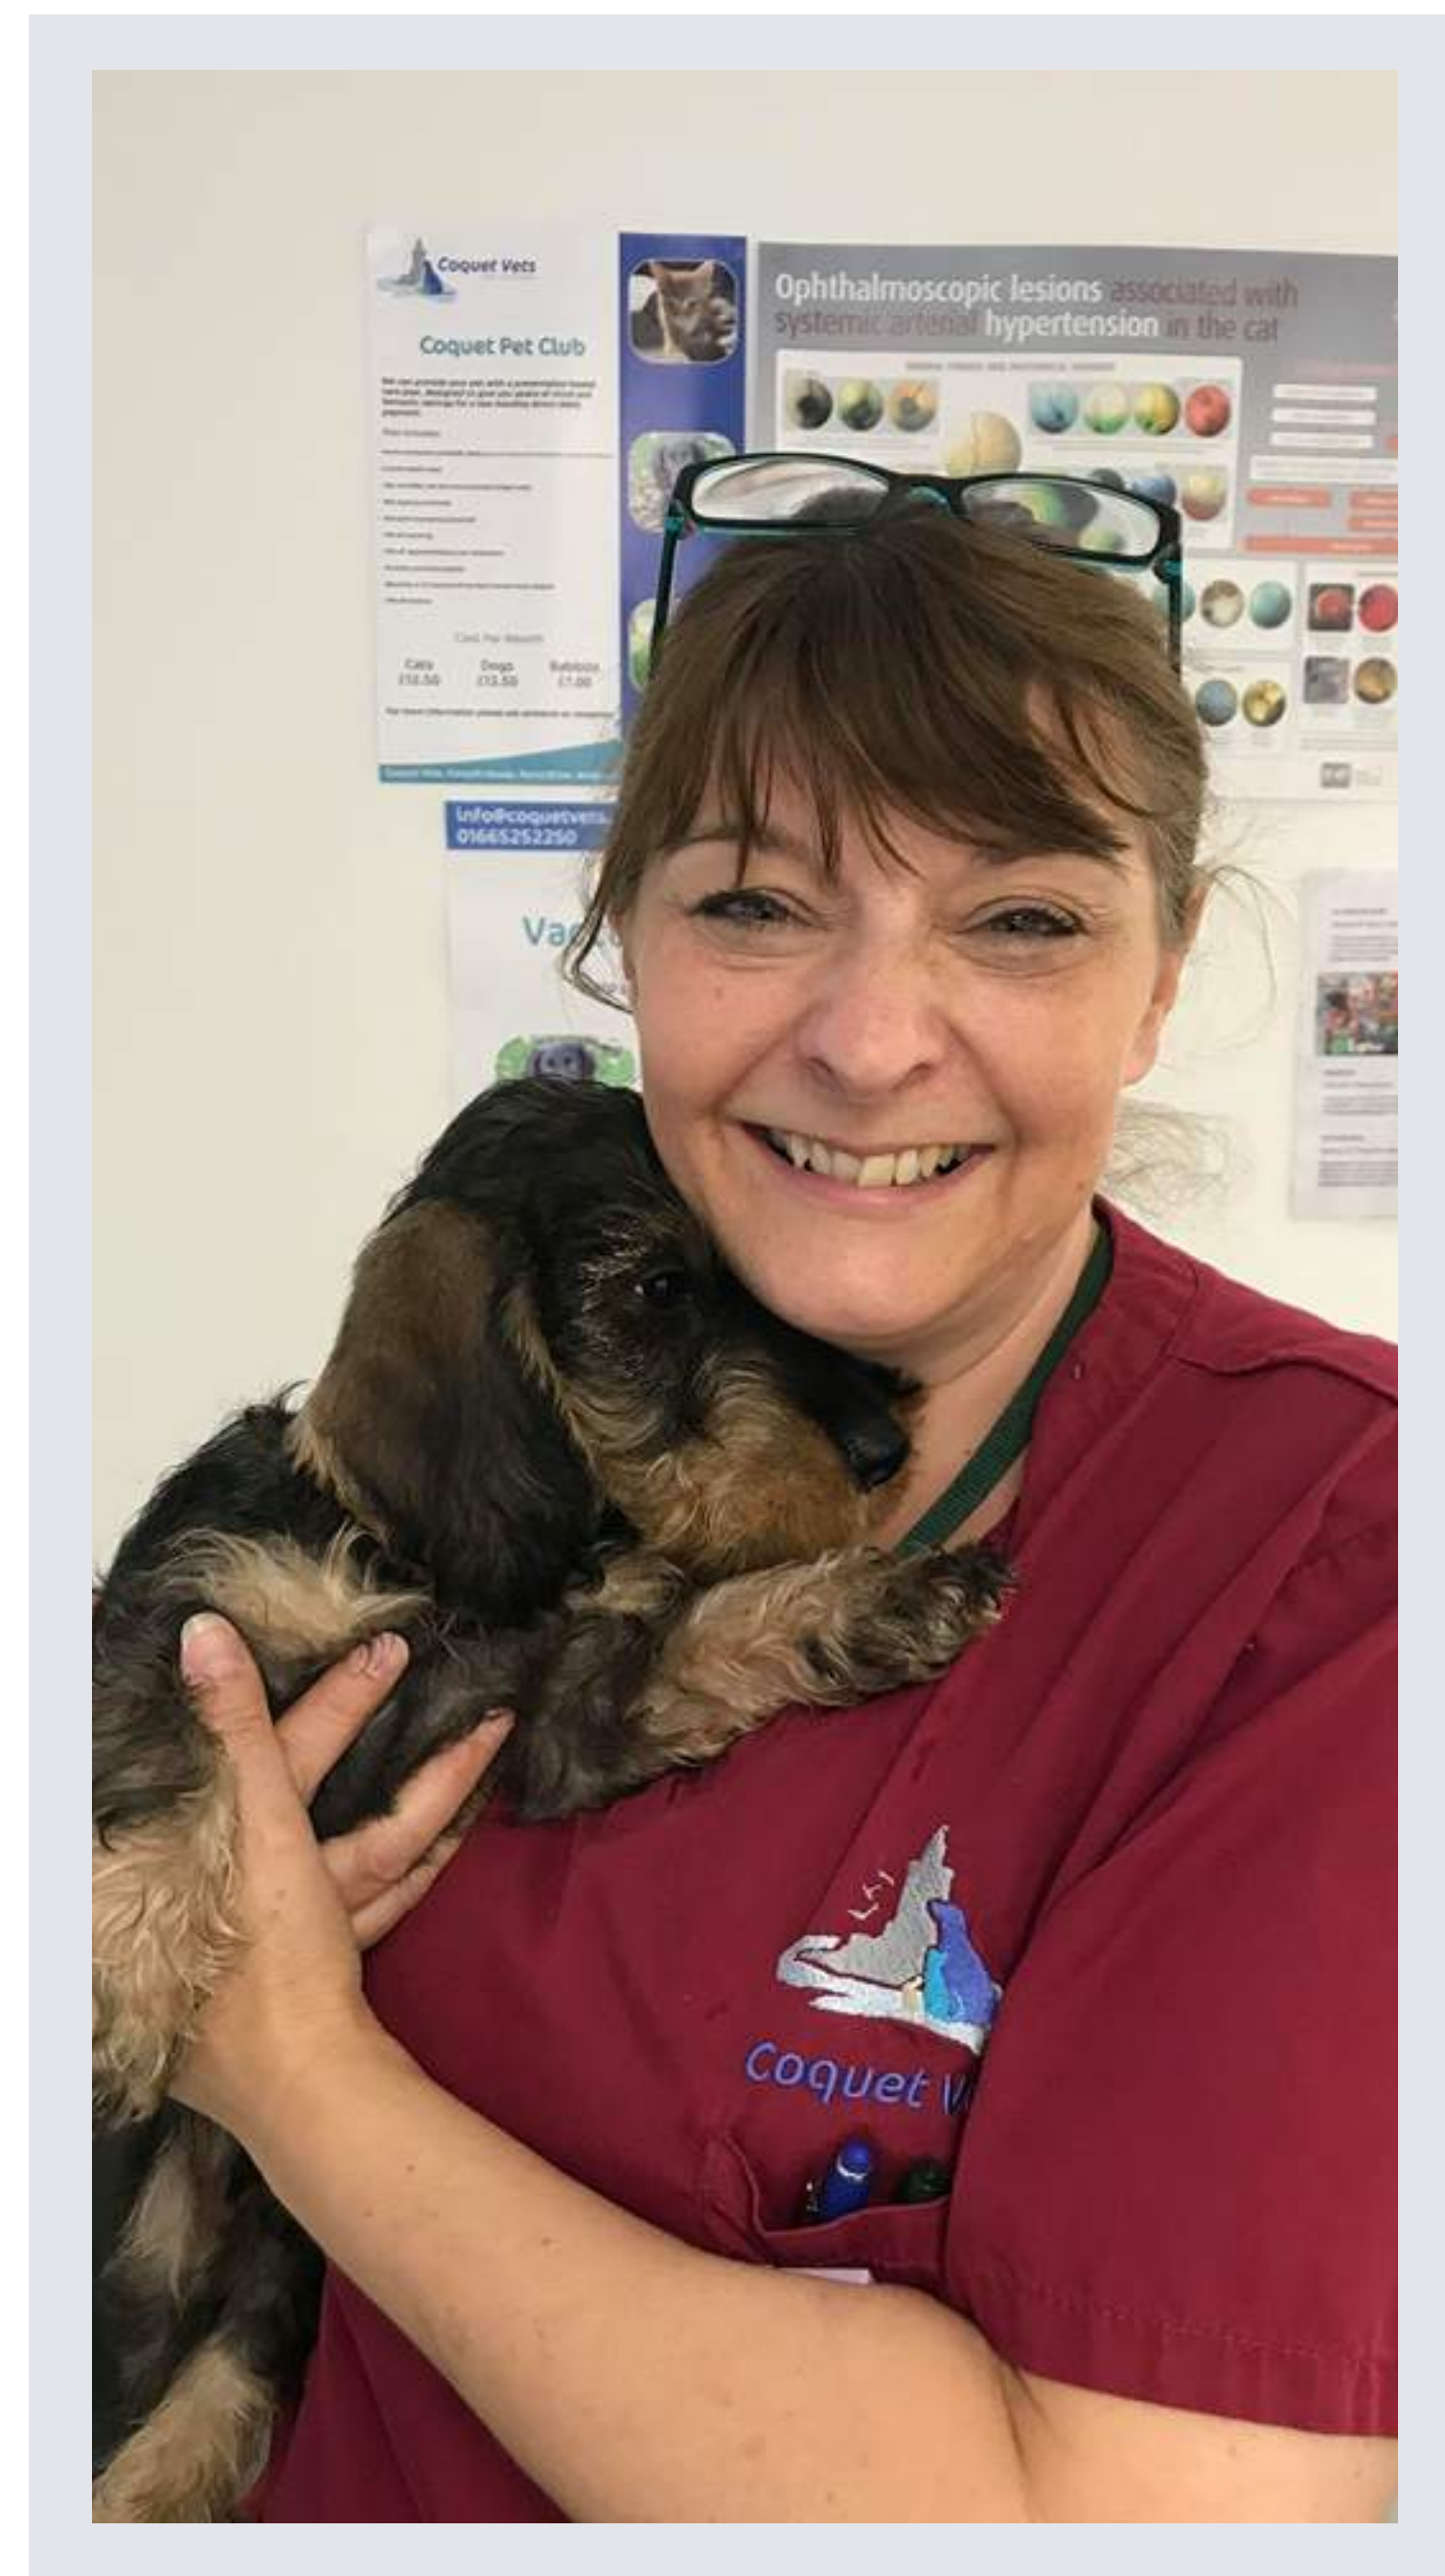

- Nail Clipping
- Anal Gland Emptying
- Dressing Changes
- Senior Pet Clinics

Please call us today to find out more about our Nurses Clinics.

**except for the cost of the treatments or food.*

FIND OUT MORE ABOUT: DIAGNOSTIC IMAGING

Coquet vet's has a dedicated diagnostic imaging suite with digital radiology (X-ray). As well as using this facility for diagnostics, we also offer hip and elbow scoring as a part of the Kennel Club screening program.

Ultrasonography:

Ultrasonography is an essential part of our diagnostic expertise giving vital, real-time dynamic images of the internal workings of our pets. It is also used for pregnancy diagnosis and facilitating safe retrieval of diagnostic samples, such as urine and biopsies. We have a visiting dedicated veterinary ultrasonographer who performs some of our abdominal ultrasonography and diagnostics as well as our heart scans (echocardiograms).
