ISSUE 19 - NOVEMBER 2021

Hi Everyone,

I can't believe it's the end of November! The nights are drawing in and there is a chill in the air. The fireworks are over for the time being, but they will soon be back. If your pet suffered from anxiety during the recent fireworks, then do make an appointment to come in and see us. There are a few options we can offer to try and make the fireworks more bearable for your pets.

We have had a good month here at Coquet Vets. Every week is slightly busier than the rest, and we are starting to see many of our puppies and kittens come back in to see us. It's amazing how quickly they grow and develop into fabulous companions, and by having regular visits, many actually quite like coming in for a cuddle!

This month was neutering month where we had a promotion to encourage clients to get their pets neutered with a 10% discount. We were so pleased to see many of our clients take up this offer, and we are pleased to report that all that have had the surgery are recovering well.

Plans are going on behind the scenes for our open day on the 4th December. It really should be a fun afternoon with lots of stalls to visit, as well as a chance to see behind the scenes. We would welcome you to invite any friends who are interested in joining our practice.

Finally, with Christmas coming up, don't forget that we will have different opening hours over the festive period, including some days when we will be closed. You can see our planned opening hours over 24th December to 3rd January in this month's newsletter.

Stay safe, and we look forward to seeing you at your next visit.
