### ISSUE: NOVEMBER 2022

Hi Everyone,

There are less than four weeks to go until Christmas, and we are all very excited about our Christmas Fair that is happening here on Saturday 10th December. We will have local businesses selling unique handmade gifts, sweets, and pet supplies - a perfect opportunity to get some nice gifts for your family and friends. We also have a dog and cat hamper to be won, and we will do the draw at the Christmas Fair. To be in with a chance of winning this, you need to buy a raffle ticket. It is just £1 a strip or £5 for 6 strips, and all proceeds will go to Pet Support and SHAK, our local cat and dog charities. You can buy tickets from our reception team from now until the Fair.

Unfortunately, our local dog charity, SHAK, is running low on dog food right now, so we are also asking if you can help them out with donations. If you can spare anything - even a single tin of dog food - it would be massively appreciated. Donations can be brought into our practice.

This month has been a mixture of procedures from neutering to dentals and x-rays. We had an emergency case of a dog who had eaten a corn on the cob. He underwent gastric surgery where our Vet, Rebecca removed the foreign body from his stomach. We are pleased to say that he is doing well and back to his sassy self.

Another interesting case that we had this month, was a male rabbit who fights a lot with his other siblings. He came in with a large lump on his back the length of his body. Our Vet, Rebecca, and our Nurse, Sue clipped and lanced the abscess. A large amount of foul-smelling pus exploded from the wound! They cleaned, sutured, and medicated him back to health. He woke up from his anaesthetic and straight away he started eating his pellets.

As well as keeping busy with some interesting cases, our second theatre equipment has also been arriving at the practice. We are aiming to have this fully equipped for January 2023, so we'll keep you all updated.

Finally, don't miss out on our '[Fireworks & Pets Consultation](#)', which includes a consultation with one of our Vets for a health check and to discuss your pet's specific needs during the fireworks season. This consultation is just £25 and is available from now until the 31st December 2022. Some medication must be given a few days before any firework event, so call us today on 01665 252 250 to get booked in.
