

Monthly Newsletter

ISSUE: NOVEMBER 2023

Hi Everyone,

We are pleased to share that we have recently registered over 6,000 patients! We are so proud of our practice and the whole team at Coquet Vets. We want to say a massive thank you to all of you, as we would not be here without our amazing clients and, of course, your animals.

This month, we have seen some interesting cases from Trevor the turkey, who had a sore foot (see our Facebook post), and a seagull with a fishhook in its stomach, that sadly, we could not save. Sarah, our new vet who has a keen interest in small furries (rabbits, guinea pigs, etc), had a rabbit with a sore eye due to a scratch from the hay. The bunny is doing great after a week's worth of eye ointment. However, to try and stop this happening, we recommend using a hay net or keeping the hay in a bundle.

We have also had some chocolate and mince pie thieves in to see us already, so please remember to keep these hazards away from your pets. Hang Christmas tree decorations up high to prevent mischievous paws (or tails) from knocking them off, as if eaten, baubles and tinsel can cause stomach blockages, and remember to never hang chocolate decorations, as chocolate is poisonous to dogs. Please read our '[Christmas Dangers for Pets](#)' article for more information.

With the cold creeping in, just a reminder to be careful when using antifreeze. It is highly toxic to cats and can kill them. Please also take a moment to read our article on '[Antifreeze Poisoning](#)' for more information.

We are looking forward to this year's Christmas Fair, which is on Saturday 2nd December from 12pm – 3pm. We have all sorts of different crafts, art, handmade gifts, sweets, dog toys, dog collars and bear making. For the list of stalls, please visit our website to see our 'Christmas fair article'. Well behaved dogs are welcome on leads and there will be games and presents to win for the kids.

As always, we have our Virbac food 'buy 5 get the 6th free' and our Hills loyalty scheme. For more information, please call us 01665 252 250. We hope you enjoy this month's round up of articles from the team, and we look forward to seeing you at the Christmas Fair.

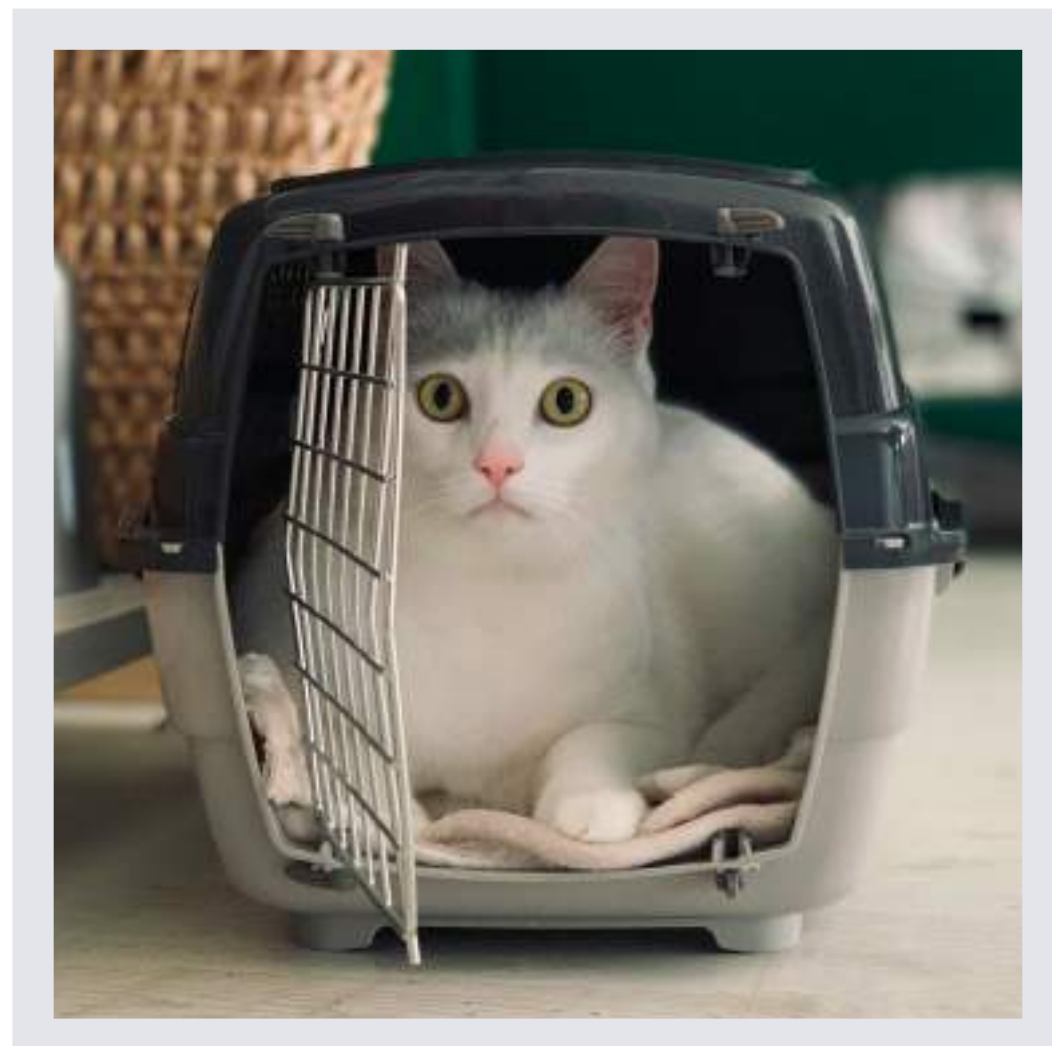

The Coquet Vets Team

XYLITOL POISONING IN DOGS

Xylitol is found in hard candy, chewing gum, and mints, and it can be dangerous for dogs. Symptoms of xylitol poisoning develop rapidly, and this can be life-threatening. Here's what to look out for.

LATEST OFFERS & PROMOTIONS

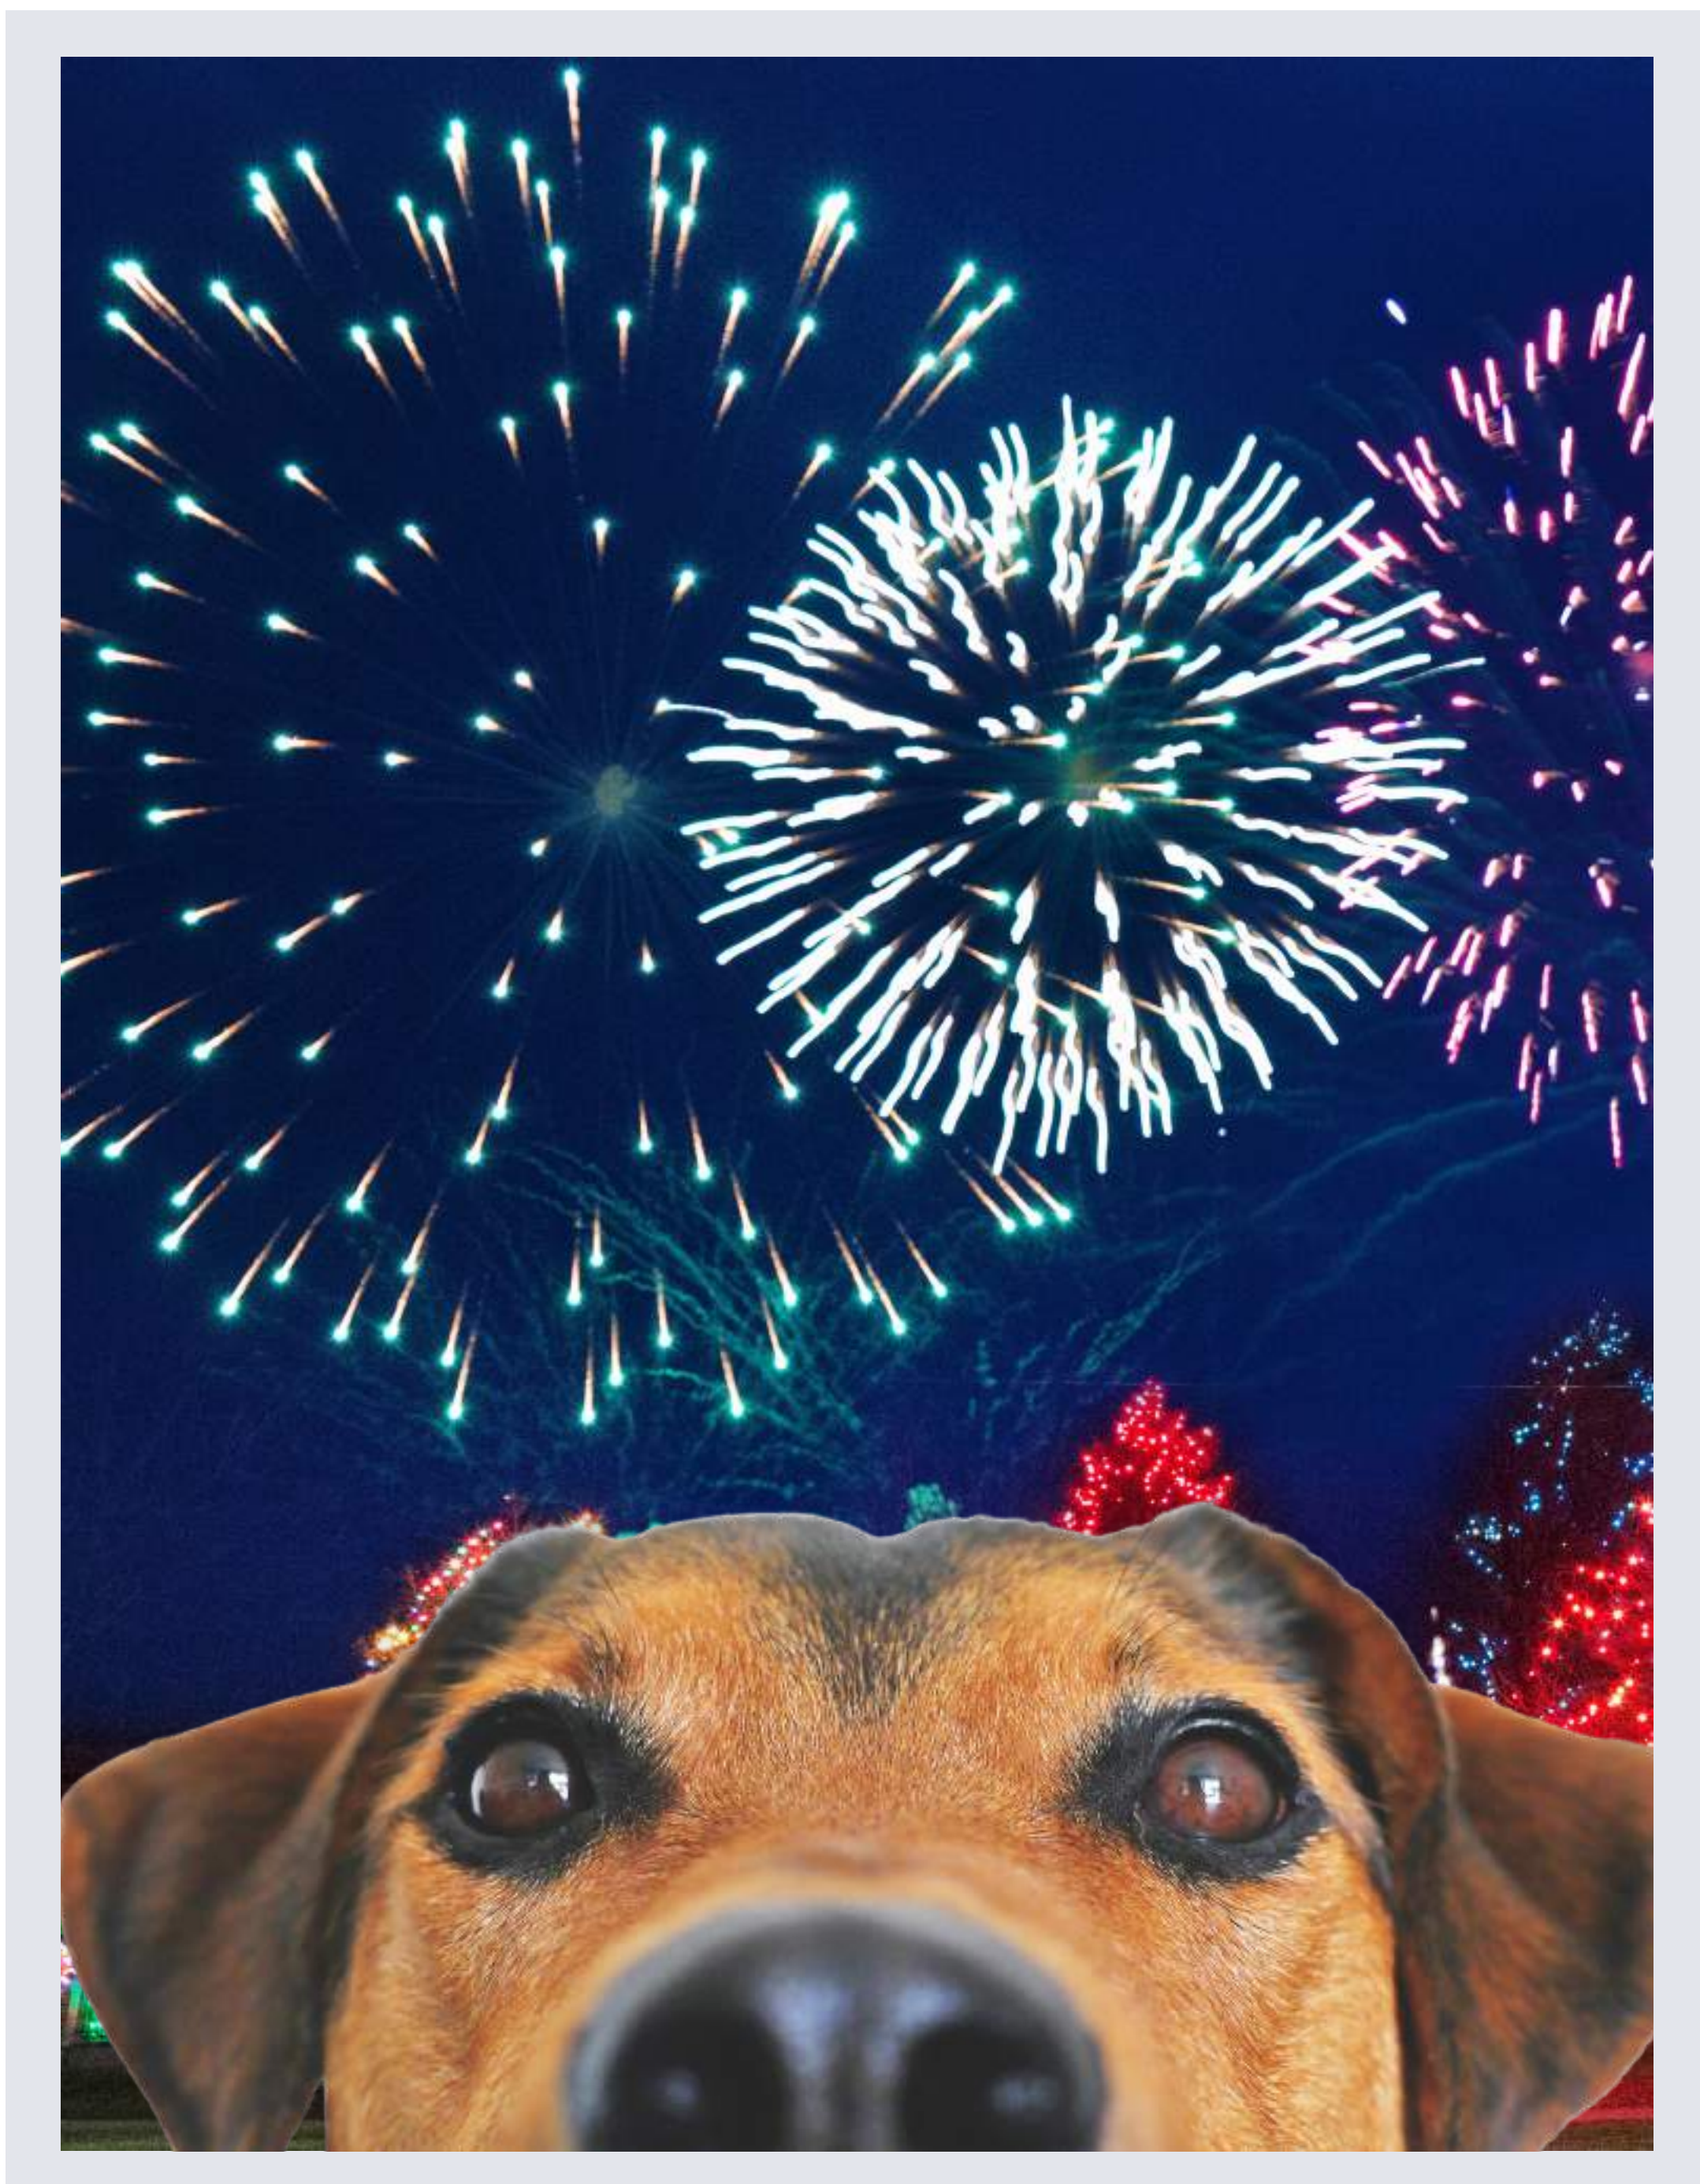

PROMOTION: FIREWORKS AND PETS CONSULTATION FOR £25

As much as we love to see bright firework at this time of year, this can be a stressful and scary time for our pets. To help you manage your pet during the firework season, Coquet Vets is once again running a 'Fireworks and Pets Consultation' promotion. This includes a consultation with one of our vets for a health check and to discuss your pet's specific needs during the fireworks season.

This consultation is just £25 and is available from 1st October 2023 until the 31st December 2023.

Please call us today on 01665 252 250 to book your pet before the firework season starts.
