

Monthly Newsletter

ISSUE 6 - SEPTEMBER 2020

Hey everyone,

It's time for our monthly newsletter - how is it Autumn already?

We have been pretty busy here at Coquet Vets. It's still that time of year where we see lots of patients with sore ears and skin. However, we have also been super lucky to continue to see many of your new puppies and kittens!

Our job, unfortunately, doesn't just involve preventative health care - although we pride ourselves in trying to be very proactive in keeping our healthy pets healthy. The last two months we have had a 10% discount on all dental procedures and this has been a huge success. We have seen so many of our patients feeling like new a week after their dental disease has been treated. Don't forget to check out our videos that can help to show you how to keep your dog's teeth clean - it really does work! We offer free dental checks so don't hesitate to give us a call if you would like our advice on your pet's teeth.

Over the last few weeks, we covered a wide range of issues in our information articles, including eye problems, ear disease in the dog and cat, and the dangers of Autumn conkers to our canine friends. We also looked at microchipping and the benefit of getting your pet microchipped. If you missed any of these articles, they are all included in this month's newsletter, so grab a cup of tea and have a read.

The team has already planned a lot of great articles for the month ahead, including advice on keeping your pets chilled out during the firework season - we all know it isn't just one day anymore! Now is the time to seek out advice. There is plenty we can do, but don't leave it until the last minute.

Finally, we have a little update on the changes surrounding Covid-19. At present, we are running as normal and we have an open reception where you are welcome to sit with your pet until the vet is ready to see you. We do ask that you wear a mask or wait outside if you do not have one.

Other than that, it is business as usual. We hope you enjoy this month's newsletter and we look forward to welcoming you back to Coquet Vets on your next visit.

Coquet Vets Team

From all at Coquet Vets

EYE PROBLEMS

Just like us our furry friends can experience a wide range of eye conditions. It is important to note that if you have any concerns about your pet's eyes, then please ring us immediately. After all, they only get one pair and eye conditions can rapidly progress and deteriorate. In this article we look at a few 'common' eye complaints that you may see in your pet.

EAR DISEASE IN THE DOG AND CAT

Ear disease in small pets accounts for around 10% of all cases that we see at Coquet Vets. There are many diseases that can affect the ears, some of which can be prevented. In this article we look at some of the most common presenting problems at our practice in Amble.

MICROCHIPPING YOUR PETS

From April 2016 it was made law for all dogs over 8 weeks old in England and Wales to be microchipped and it is a requirement to keep contact details up to date. In this article, we look at the law on microchipping, what is required to get your pet microchipped, and the benefits of doing this.

CONKERS & CANINES

As we move into Autumn it's worth remembering the dangers of conkers to our canine friends. In this week's article, we look at why conkers are dangerous for pets and some of the key symptoms to look out for if you think your pet has eaten conkers.

COMMUNITY: COQUET VETS SUPPORTS LOCAL FOOTBALL TEAM

Coquet Vets are proud sponsors of the Amble East End Juniors Under 9's football team, including junior players Charley Renton and Ambrose and Gabriel Gordon.

The sponsorship is currently for one season and the sponsor money will contribute towards the cost of the club kits and pitches.

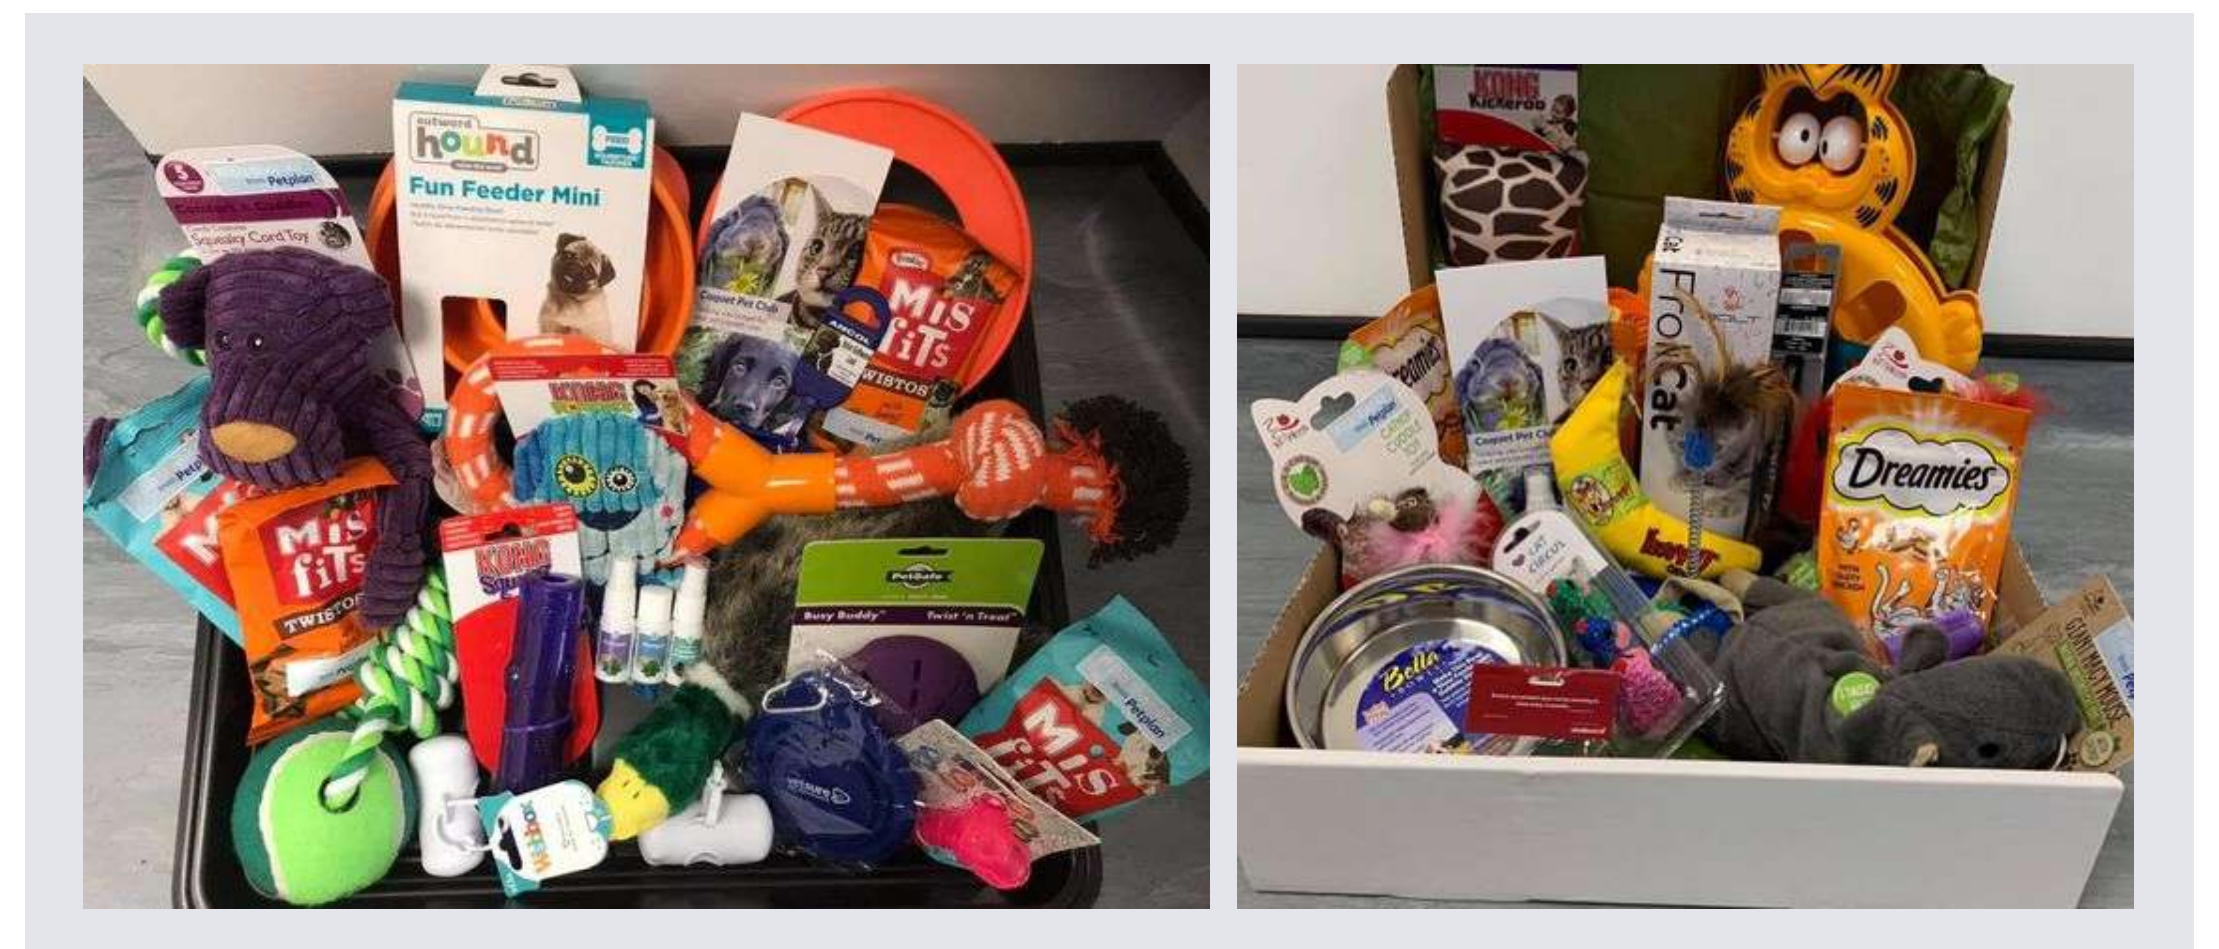

The club is for both boys and girls and currently has under 7's, under 8's, and under 9's teams competing in local leagues.

Find out more about the Amble East End Juniors football team on their Facebook page:
<https://www.facebook.com/ambleeastendjuniors/>

RAFFLE PRIZE: WIN A DOG AND CAT HAMPER!

This month, we launched a raffle prize draw to win a dog hamper and a cat hamper. Each hamper includes toys, food, collars, leads and much more!!

It is £1 a strip and all proceeds will go to our local charity SHAK (Safe Homes and Kindness). If you would like a raffle strip, please call in to the practice. (Please wear a mask)

We will announce the winners on the 24th December 2020. Good Luck!
