ISSUE 17 - SEPTEMBER 2021

Hi Everyone,

We have had a real month of interesting cases this September. Thankfully, many have been success stories, including a wild kestrel which we released, and a grass blade stuck up a dog's nose that came out with one foul swoop and a cheer from both the vet and the client!

The complexity (and consequently large vet bills) of many of these cases always reminds us that pet insurance is very much something that clients are glad that they have when it's needed. One of the articles we wrote this month discusses pet insurance, and it's well worth a read.

For those that have visited recently, you may have met our new staff member, Danni, who is in her first year of training to be a registered veterinary nurse. It takes two years to train, and we are very excited to have her join our team. The team is steadily growing - as is our client base - and we are continuing to register new clients every day and offer great care for their pets. The Coquet Pet Club is proving very popular, and our puppy parties are very well attended. Please see our website or call us for more details.

As we start to see the summer out, the conditions we see pets for start to change. Less itchy skin and exercise intolerance, but the start of aching bones and arthritis! However, don't forget to get your pets tick, worm, and flea treatment up to date. Fleas love it when you turn on the central heating, so now is the time to act.

As always, we hope you enjoy the articles that we put together for you over this past month. With National Eye Health Week taking place over 20th - 26th September, we have been talking all things eyes. If you have any questions or concerns about your pet's eye health or vision, don't hesitate to get in touch.

Stay safe, and we look forward to seeing you at your next visit.

LET'S TALK ABOUT EYE TESTS (OPHTHALMIC EXAMINATIONS)

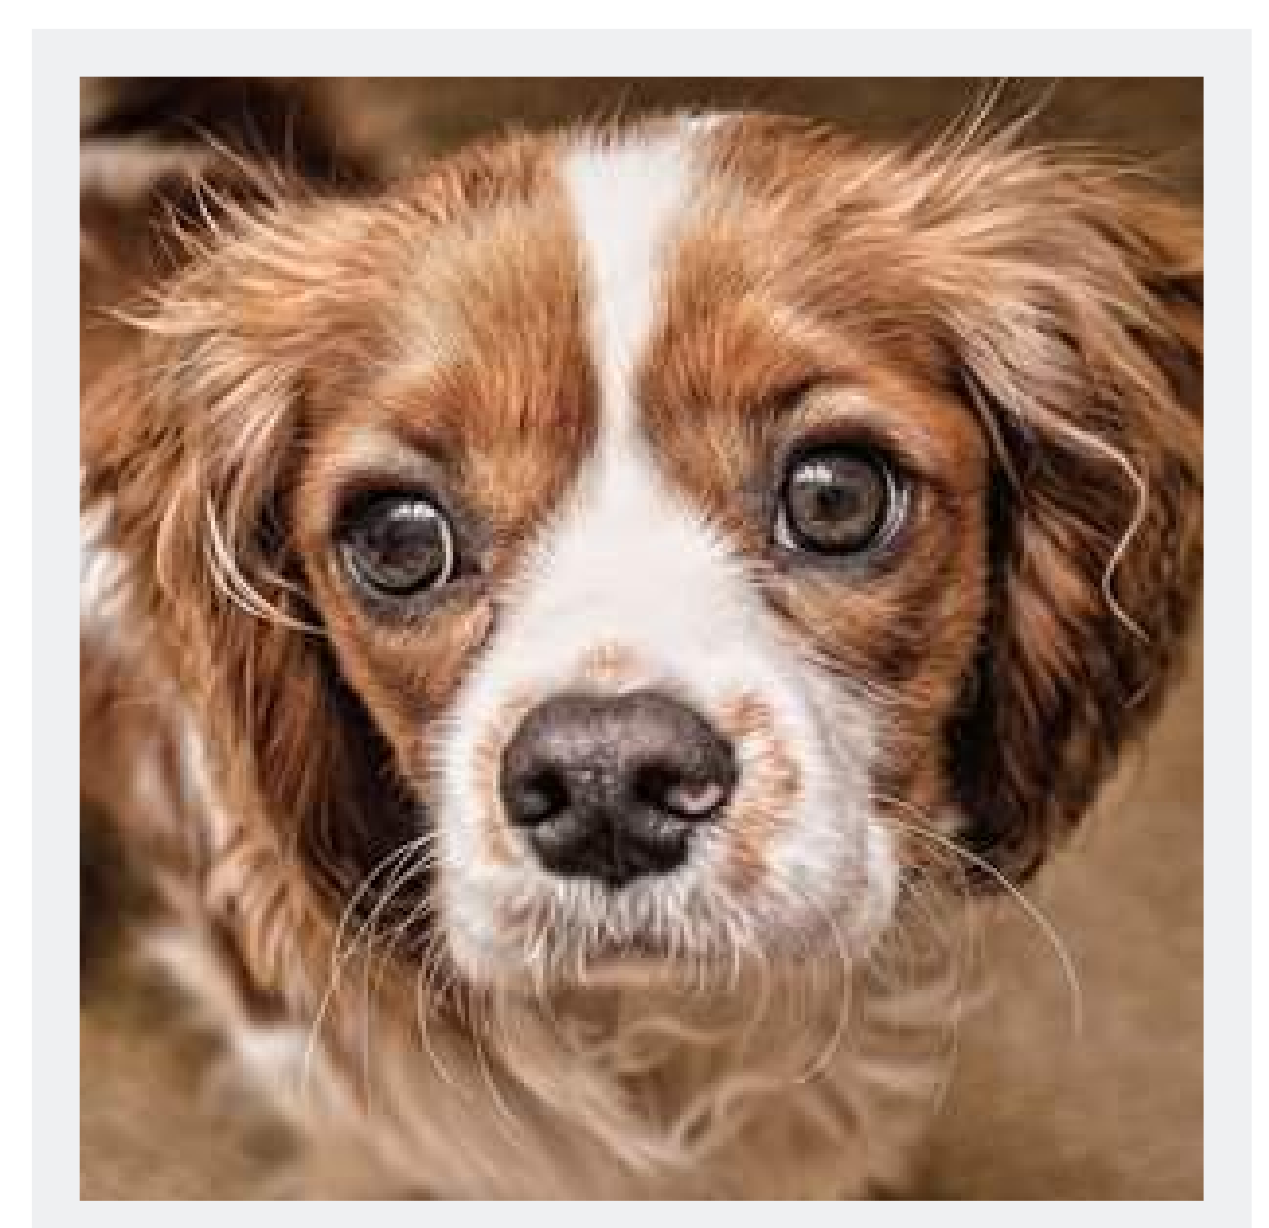

We are lucky to have some great equipment at the surgery to be able to examine your pet's eyes, so that we can make a treatment plan. Here is a little explanation of the tests that we may need to perform if your pet has a problem with their eyes.

SAVE THE DATE: COQUET VETS' CHRISTMAS FAIR IS COMING!

We are excited to announce that we are having a Christmas Fair at our practice on Saturday 4th December 2021, and you are all invited to come along!

During the fair, you can take a tour of our purpose built veterinary practice and meet the team. You can also meet the wonderful charities that we are very proud to support - the local dog and cat charity, [SHAK \(Safe Homes and Kindness\)](#) and [Pet Support](#).

There will, of course, be local stalls selling sweets, Christmas gifts, pet supplies, and other products to get you in the festive spirit. You will also have the chance to win a dog and cat hamper with all proceeds going to our charities.

The Christmas Fair will be at our practice on Saturday 4th December from 1.30pm to 4.30pm. Dogs are welcome too!

We still have a few stall spaces left, so if you are a local business that is interested in taking part in our Christmas Fair, please email us at info@coquetvets.co.uk to find out more and book your space. Set up is at 1pm and we ask that you please bring your own table.

Save the date, and we look forward to seeing you there!
